Humble memorial submitted by Y.Hoovayya
Assistant teacher Fisheries School,
Kirimanjeswar, Post, Kambadakone, Coondapur
Taluk, South Kanara District.

Most Respectfully Sheweth,

1. That your humble memorialist joined the Fisheries School as a teacher in 1920 and underwent teacher's training at Mangalore from 1922 to 1924 and joined again in 1924 as a trained teacher on the scale of 20--1--30. He worked till 1926 and earned 2 increments, when he was required departmentally to undergo Fisheries training at Calicut. During the training he got only a monthly stipend of Rs.12/-. On 1-7-1927 he joined the school again, but as he did not pass in the Fisheries training he was given a pay of Rs.15/- only till the end of July 1928 when he passed in the Fisheries Training Examination.

2. From 1928 he was again given a start at 20--1--30 and was getting pay on that basis till 1931 when he qualified himself as a Higher Grade Teacher entitled to the scale of --- 25--1--50 and he was paid on that scale.

3. Memorialist then sent up memorials to the benign Government praying for allowing him to draw his pay during his period of training at Calicut and subsequently also according to his ~~continued~~ confirmed post in 1924 and according to which he had earned 2 increments when he was sent for special training at

Calicut. This was favourably considered in G.O.No.M.S.1065 dated 28-7-1934 (a copy is enclosed) as other teachers who were not called upon to undergo training at Calicut, were earning their increments and getting their full pay on that scale. According to that G.O. memorialist was entitled to 4 increments in 1928 when he passed the special training. He was entitled to 7 increments in 1931 when he qualified himself as a higher grade teacher and admitted to the scale of 25--1--50. In G.O.No.M.S.1577 Development dated 14-7-1937 he was ordered to be paid Rs.78/- as arrears of pay from 1-7-1928 to 31-10-1931.

4. As he was paid from 1-7-1927 till 31-7-1928 at the rate of Rs.15/- and from 1928 in the scale of 20 - 1 - 30 - ignoring his previous confirmation in 1925, he sent a memorial and he was ordered to be paid his pay according to his scale for the period 24-6-1927 to 31-7-1928 in G.O.No.M.S.1909 Development dated 15-8-1940.

Even after this order he was paid only 96-10-0 which is short by 11-12-0. Apart from this he is entitled to draw his increments till he become a higher grade trained teacher and subsequently also he is entitled to draw according to his past service. A memo is appended to this memorial which will show what he got and what he ought to get and according to that, memorialist is entitled to get some more money towards his past arrears of pay.

It is therefore humbly prayed that the Government may be pleased to direct the payment of his past arrears in view of the above circumstances.

Copy Submitted proper channel.

------oOo------

The Government observe that the memorialists were appointed as teachers in the Fisheries Schools in 1927 before the issue of the Statutory Rules for the Madras Fisheries Subordinate service on 24th Spetember 1929 and continued as teacher for over 2 years after the issue of the rules. They have earned five increments in the scale of Rs.25--1--50. Before the issue of the statutory rules there was no restriction as regards the employment of men not trained in the Fisheries Training Institute, Calicut and teachers who completed 2 years training at Mangalore have been confirmed in the past without any further training at the Fisheries Training Institute. - The Madras Fisheries Subordinate Rules came into force subsequent to their appointment and the provisions there made laying down qualifications for teachers posts are applicable only to candidates seeking admission to the service after the issue of the Rules but do not affect the memorialists to their prejudice. The memborialist cannot therefore be reduced to a pay of Rs.20/- per mensem except as a punishment and there is no question of punishment in this case. The Government accordingly direct the memorialists be confirmed in the posts they have been holding since 1927. They should be allowed to draw the pay to which they are eligible in the old scale with effect from the date of rejoining their appointments after training in the Fisheries Training Institute.

Humble memorial submitted by Y.Hoovayya
Assistant teacher Fisheries School,
Kirimanjeswar, Post, Kambadakone, Coondapur
Taluk, South Kanara District.

Most Respectfully Sheweth,

1. That your humble memorialist joined the Fisheries School as a teacher in 1920 and underwent teacher's training at Mangalore from 1922 to 1924 and joined again in 1924 as a trained teacher on the scale of 20--1--30. He worked till 1926 and earned 2 increments, when he was required departmentally to undergo Fisheries training at Calicut. During the training he got only a monthly stipend of Rs.12/-. On 1-7-1927 he joined the school again, but as he did not pass in the Fisheries training I was given a pay of Rs.15/- only till the end of July 1928 when he passed in the Fisheries Training Examination.

2. From 1928 he was again given a start at 20--1--30 and was getting pay on that basis till 1931 when he qualified himself as a Higher Grade Teacher entitled to the scale of --- 25--1--50 and he was paid on that scale.

3. Memorialist then sent up memorials to the benign Government praying for allowing him to draw his pay during his period of training at Calicut and subsequently also according to his ~~confirmed~~ confirmed post in 1924 and according to which he had earned 2 increments when he was sent

Calicut. This was favourably considered in G.O.No.M.S.1065 dated 28-7-1934 (a copy is enclosed) as other teachers who were not called upon to undergo training at Calicut, were earning their increments and getting their full pay on that scale. According to that G.C. memorialist was entitled to 4 increments in 1928 when he passed the special training. He was entitled to 7 increments in 1931 when he qualified himself as a higher grade teacher and admitted to the scale of 25--1--50. In G.C.No.M.S.1577 Development dated 14-7-1937 he was ordered to be paid Rs.78/- as arrears of pay from 1-7-1928 to 31-10-1931.

4. As he was paid from 1-7-1927 till 31-7-1928 at the rate of Rs.15/- and from 1928 in the scale of 20 - 1 - 30 ignoring his previous confirmation in 1925, he sent a memorial and he was ordered to be paid his pay according to his scale ~~for the period 24-6-1927 to 31 , 1928 in G.O.No.M.S.1909~~ Development dated 15-8-1940.

Even after this order he was paid only 96-12-0 whi is short by 11-12-0. Apart from this he is entitled to dr his increments till he become a higher grade trained teach and subsequently also he is entitled to draw according to his past service. A memo is appended to this memorial whi will show what he got and what he ought to get and accord ~~ingly~~ that memorialist is entitled to get some more money towards his past arrears of pay.

It is therefore humbly prayed that the Government may be pleased to direct the payment of his past arrears in view of the above circumstances.

------oOo------

The Government observe that the memorialists were appointed as teachers in the Fisheries Schools in 1927 before the issue of the Statutory Rules for the Madras Fisheries Subordinate service on 24th Spetember 1929 and continued as teacher for over 2 years after the issue of the rules. They have earned five increments in the scale of Rs.25--1--50. Before the issue of the statutory rules there was no restriction as regards the employment of men not trained in the Fisheries Training Institute, Calicut and teachers who completed 2 years training at Mangalore have been confirmed in the past without any further training at the Fisheries Training Institute. The Madras Fisheries Subordinate Rules came into force subsequent to their appointment and the provisions there made laying down qualifications for teachers posts are applicable only to candidates seeking admission to the service after the issue of the Rules but do not affect the memorialists to their prejudice. The memborialist cannot therefore be reduced to a pay of Rs.20/- per mensem except as a punishment and there is no question of punishment in this case. The Government accordingly direct the memorialists be confirmed in the posts they have been holding since 1927. They should be allowed to draw the pay to which they are eligible in the old scale with effect from the date of rejoining their appointments after training in the Fisheries Training Institute.

Copy of petition dated 20.10.34 of Y. Hoovayya. to the Asst. Directo of Fisheries, (Coast)

I joined the Fisheries Department in 1920 as an untrained Ele. grade teacher and after having served for nearly 1½ years on the then existing scale, I was required to under-go training at Mangalore in 1922 as a stipendiary of the Fisheries Department.

I completed the ordinary teacher's training at Mangalore in ~~1921~~ 1921 when I was again admitted, as a trained teacher, in the Fisheries Department on the scale of 20-1-30. I was confirmed in the year 1924 in the department and I was allowed to draw the usual increment for two subseque years, so that when I was called upon to undergo the Fisheries Training at Calicut on 24.8.26 I was actually drawing a pay of Rs.22/- per month a a permanent trained teacher in the Fisheries Department according to the then existing rules and scale of pay applicable to me.

Though I finished my Fisheries Course in 1927 and rejoined duty the same year, I was unfortunately not successful at the examination and I passed only in the next year, i.e. 1928.

When I rejoined my duty on 1.7.27 after my one year's course at Calicut, I was given a pay of only Rs.15/- per mensem on the scale of untrained teachers of the lower grade till 31.7.28 when again my pay was started on 20/- as an ordinary trained teacher seeking admission for the first time.

In this connection, I beg to submit that I was really entitled to, and eligible for, the pay of at least Rs.22/- per mensem when I rejoined duty after my training course at Calicut and that I was eligible for further increments at least from the date of my completing and passing the Fisheries course in 1928.

I humbly submit that I am very much aggrieved by the sudden reduction of my pay to Rs.15/- in 1927 while I would have been allow to draw Rs.23/- if I were to join as an ordinary trained teacher. This is an obvious injustice to me which is aggravated by my not being allowed to draw on my rejoining duty at least a pay of Rs.22/- which I was entitled to before going for Calicut training.

But I beg to add that the Benign Government has on reconsideration of the grievances of teachers, held in G.O.No.Mis.1065 dated 28th July 1934 that the Madras Fisheries Subordinate rules came into force on 24.9.29 and that they will apply only to teachers <u>seeking admission</u> after that date. Those teachers who have joined service prior to that and who have been confirmed and who have earned increments cannot be effected prejudicially by those rules.

I beg to submit that my case comes within the perview of this G.O.No.Mis.1065 dated 28th July 1934 and I have all justifications to claim the benefit under this G.O. I was getting Rs.22/- with two increments in 1926 when I went for Calicut training. So, the pay which was given after my return and rejoining duty in 1927 was not in accordance with this G.O. and so I pray that I may be allowed to draw my pay and increments in accordance with the observations contained in the above mentioned G.O.

I beg to add finally that I have suffered immensely on account of the sudden reduction of pay and the suspension of the increments. I pray therefore that my present petition may be sympathetically considered and my legitimate grievances redressed, for which act of benevolence, I shall ever remain grateful.

I beg to etc.

Sub: Education - Establishment - Teachers P. Kalappa and Y. Hoovayya - Petition.

I enclose ~~four~~ for your orders copies of petitions received from teachers P. Kalappa and Y. Hoovayya. Both of them were admitted to F.T.I. for the third year course on 24.8.26 and discharged therefrom on 23.6.27. From 24.6.27 to 31.7.28 (both days inclusive) they were treated as untrained teachers and paid accordingly. The reduction was made in accordance with your memo No.2200 C/26-5 dated 16.12.26. When Hoovayya appealed against it, the original orders were upheld in your memo No.2991 C/28-2 dated 27.3.29. The petitioners seem to be entitled to the relief prayed for in the light of the orders passed in G.O.No. Ms.1065 Dev. dated 28.7.34, communicated with your Endt.215 C/34 dated 30.8.34.

Copy of Hoovayya's memorial to Govt. dated 9.10.36.

Most respectfully sheweth:

That your memorialist is one of the teachers employed under the Fisheries Department at Hoige Bazaar, Mangalore, and under G.O.No.1433-Development, dated 16th October, 1935, the memorialists pay ought to have been fixed on the basis of his previous service in the scale of Rs.20-1-30 from 1st. August, 1928. Though the Memorialist finished his Fisheries course in 1927 and re-joined duty instead of fixing his initial salary at Rs.22/-, which he was drawing previous to this training he was paid only Rs.15/- till 31.7.1928 when his pay was raised to Rs.20/-

That Government will be pleased to see that on memorialist qualifying himself in Fisheries course, his pay was wrongly fixed at Rs.15/- in utter disregard to the instructions contained in G.O.1065, dated 28th July, 1934

That while government are pleased to say definately in their G.O.No.1933 - Development, dated 16th October, 1935 to fix the pay on the basis of previous service on the scale of Rs.20-1-30, memorialist fails to understand how the Accountant-General could opine that the teachers are not entitled to arrears of pay before the date of the G.O. of 16.10.1935.

The G.O. referred above, memorialist humbly submits is explicit and there can be no doubt that memorialist is entitled to his pay being fixed from 1.8.1928 on the basis of memorialists previous service in the scale of 20.1.30. The plea that Government have not sanctioned the payment of arrears from 1st August, 1928, cannot be taken to act against the memorialist because no sanction was sought for.

The Government in directing as above, memorialist humbly submits, could not have meant anything else other than sanctioning the arrears when the necessary sanction was applied

of the Government is couched in mandatory terms and not in discretionary manner. Government have treated with consideration other teachers, similiarly handicapped namely T. Muthappa, U.Thaniappa and Menkan in 1933 in this G.O.No.Mis.1065. dated 28th July. 1934.

Memorialist has suffered great injustice and suffered also financially for no falut of his and in these circumstances pray most humbly government may be pleased to direct the Assistant Director of Fisheries (Coast) Calicut to give effect G.O.No.1433 of 16th October, 1935. fixing memorialists pay. For which act of justice and kindness memorialist will ever feel grateful.

Sub: Education - Schools - Y. Hoovayya - Fixation of pay ordered in G.O.No.1433 Ms.Dev. dated 16.10.35 - Arrears.

Y. Hoovayya was promoted to H.E. grade with effect from 15.2.32 vide your memo D.Dis.No.758 C/32 dated 10.5.32 and memo No.3296 C/36-4 dated 19.1.37. The statement in my letter No.7114 F/36 dated 19.11.36 that he was so promoted with effect from 2.11.31 may be corrected accordingly. By virtue of this promotion Hoovayya would start on the initial pay of Rs.25 in the scale of Rs. 25 - 1 - 50 on 15.2.32. At the time of the issue of G.O.No.1433 Ms.Dev. dated 16.10.35 Hoovayya had already passed into the higher scale. His grievance is that by the A.G's ruling his pay has not been fixed from 1.8.28 on the basis of his previous service in the scale of Rs.20 - 1 - 30, as ordered in the G.O. If his request is allowed he should be paid as follows:

From 1.8.28 to 31.7.29 @ Rs.22 p.m. as against Rs.20 p.m. paid.
" 1.8.29 to 31.7.30 @ Rs.23 " " " 21 " "
" 1.8.30 to 31.7.31 @ Rs.24 " " " 22 " "
" 1.8.31 to 14.2.32 @ Rs.25 " " " 23 " "

For Director of Fisheries.

Copy of Hoovayya's memorial to Govt. dated 6.9.39.

Humble memorial submitted by H. Hoovayya, employed in the Fisheries School at Calicut in South Kanara District.

Most respectfully showeth:

That your humble memorialist joined the Fisheries Department as an untrained teacher in 1920 and was sent for Teachers' training at Mangalore as a stipendiary of the department. After completion of his 2 years train he rejoined the department as a trained teacher in 1924 as a confirmed han on the scale of 20-1-30. He was again called upon to under go Fisheries training at Calicut in 1926. He had by then earned two increments and was getting his permanent pay at Rs.22/- per mensem.

The other teachers who had undergone only the ordinary training at Mangalore and who were confirmed with him in 1924 and who were not required to under go special training at Calicut, were allowed to continu in service without break and were getting their pay with increment while memorialist had to undergo training at Calicut for a year on a monthly stipend of Rs.12/- .

After completing the course at Calicut, memorialist rejoined his old post on 1.7.1927. But as he did not pass the examination of the special training in 1927 he was not allowed to draw his pay and increment according to his previously confirmed post and scale but was paid only at Rs.15/- per month treating him as an ordinary untrained teacher seeking employment for the first time. When he passed the examination in 1928 he was treated as a new trained teacher and was readmitted to the scale of 20 1 30 in utter disregard of his previous confirmation in 1924 and his 2 increments and ignoring the fact that others of his grade who had not the extra trouble of undergoing Fisheries training, were getting 24/- in 1928 having earned 4 increments.

There were some other teachers who also suffered like this and wh they moved the benign Government, it was held in G.O.No.1065 Madras dated 20.7.1934 that the method employed and the pay given was not correct and the Government was pleased to order that teachers who were appointed and confirmed before the Madras Fisheries Subordinate Rules came into force could not be effected prejudicially by the provisions therein laying down qualifications for the posts of teachers and the benign Government was also pleased to sanction their pay on the old scale from the date of rejoining after training.

The rules were issued on 24.9.29 and this memorialist was appoint and confirmed and admitted to 2 increments even in 1926 when he went for Fisheries Training at Calicut.

So, according to this G.O.No.1065 Ms. dated 20.7.34 memorialist was clearly entitled to pay at least at Rs.22/- (if he is not entitled to earn increment during his course at Calicut) from 1.7.27 with his annual increments. But he was paid only at Rs.15/- as stated in para 3 till 31.7.28 and only at Rs.20/- thereafter.

When this obvious injustice was brought to the notice of the Governemnt in his petition dated 20.10.34 the benign Government was pleas in the light of G.O.1065 Ms. to direct in G.O.No.1433 Ms. Dev. dated 6.10.35 that the memorialist was entitled to pay and increment on the basis of his previous service. In the same order unfortunately it was held that his pay at Rs.15-0-0 from 24.6.27 till 31.7.28 was in order perhaps under the mistake that it was the period during which this mem-orialist was under-going Fisheries training at Calicut. In pursuance of this G.O.No.1433 Ms. the Government was pleased to sanction only Rs.78/- the loss of increment from 1.8.28 to 31.10.31 ignoring his claim for the period 1.7.27 to 31.7.28 during which he was serving as a teacher and getting only Rs.15/- per month.

It was by mistake that the Government held the payment at Rs.15/- from 24.6.27 till 31.7.28 to be in order, is patent from the fact that this order is in direct contravention of the order in G.O.No.1065 Ms.date 20.7.34 which clearly lays down that the teachers should be paid according to their confirmed scale of pay from the date of rejoining after the Fisheries training at Calicut. He had his trun of Rs.15/- per month fr... 1.7.26 to 31.6.27 while at Calicut and after he rejoined and was in actual service as teacher from 1.7.27 to 31.7.28 he ought ot have been paid Rs.22/- instead of at Rs.15/- if effect is to be given to G.O.1065 which has considered and discussed all aspects of the case.

Poor memorialist therefore humbly prays that the [illegible] ment may be pleased to reconsider his case and give effect G.O.No[illegible]

dated 20.7.34 and order that his pay during the period from 1.7.26 to 3
7.27 may be treated as Rs.22/- per month and the difference be paid to
him so that he may get equal justice with those that were paid accord-
ing to that G.O.

For which act of justice and benevolence, the poor memorialist shall ever pray.

Sub: Education - Establishment - Teachers - Y. Hoovayya and P. Kalappa - Pay - Reduction owing to failure in the F.T.I. Examination - Memorial for revision of orders.

I enclose the memorials to Govt. of teachers Y. Hoovayya and P Kalappa dated 6.9.39 and 8.9.39 respectively.

The case of these teachers was dealt with in A.D.(C)'s letter No.7348 F/34 dated 6.11.34, disposed of in G.O.No.1433 Ms. Development dated 16.10.35 - vide your Endt.D.Dis.3293 C/34 dated 23.10.35. The revision of pay ordered in this G.O. was further given effect to in G.O.No.Ms.1577 Dev. dated 14.7.37, Communicated with your Endt. D.Dis.3600 C/36 dated 17.7.37, in respect of Hoovayya, and in G.O No.Ms.2469 Dev. dated 6.10.38, communicated with your Endt.D.Dis. 2502 C/38 dated 10.10.38, in respect of Kalappa.

Both the teachers rejoined duty in Fisheries Schools on 1.7.1927 after leaving the F.T.I. Calicut, and were treated as untrained teachers and paid at Rs.15 per month until 31.7.28 for not passing the F.T.I. examination. In G.O.No.1433 Ms. dev. dated 16.10.35 Govt. have held that the fixation of pay for this period at Rs.15/- was in order. The cases of teachers U. Thanippa and T. Muthappa, disposed of in G.O. No.Ms.1065 Dev. dated 28.7.34 - vide your Endt.215 C/34 dated 30.8.34 - were almost similar. In this G.O. Govt. held that the reduction of pay on account of failure in the F.T.I. examination was not in order in respect of these who were appointed as teachers before the issue of the statutory rules for the Madras Fisheries Subordinate service and continued as teachers after the issue of the rules. The difference betwe the case of Thaniappa and Muthappa on the one hand and that of Hoovayya and Kalappa on the other is that while the former were in continuous service both before and after the issue of the statutory rules before being trained at the F.T.I., Hoovayya and Kalappa had their training at the F.T.I. before the issue of the statutory rules. It is not known if Hoovayya and Kalappa were treated differently from Thaniappa and Muthe on account of this.

In para 8 of his memorial Y. Hoovaya has stated that he was paid Rs. 15/- per month from 1.7.26 to 31.6.27. He was admitted to the F.T.I. on 24.8.26 and rejoined duty as a teacher on 1.7.27. From 24.8.26 to 31.6.27 both Hoovayya and Kalappa were paid stipends at Rs.12/- per mense Another inaccuracy in Hoovayya's memorial is his request in para 9 that his pay from 1.7.26 to 31.7.27 may be treated as Rs.22/- per month. The correct period is from 1.7.27 to 31.7.28.

The two memorials may be submitted to Govt. for their orders.

Ref: Letter from the Director of Fisheries, No.2926-C/39-7 dated 25.4.1940 - Petitions from teachers, Sri. Y. Hoovayya and Sri. P. Kalappa - Revision of pay.

The statements forwarded by the Director of Fisheries with his letter read above are not complete. If the two teachers are allowed to draw their permanent pay in the scale of Rs.20 - 1 - 30 during the period from 24th June 1927 to 31st July 1928, this period will count for increment and consequently their pay will have to be refixed not only in the scale of Rs.20 - 1 - 30 but also in the scale of Rs.25 - 1 - 50 to which they were subsequently promoted. The Director is requested to furnish revised statements accordingly and to report the amount of arrears now payable to each of the two teachers.

Humble memorial submitt.
Assistant Teacher, Fisheries School,
Kirimanjeswar, Post Kambadakone, Coondapur Taluk, South Kanara District.

Most Respectfully Sheweth,

1. That your humble memorialist joined the Fisheries School as a teacher in 1920 and underwent teacher's training at Mangalore from 1922 to 1924 and joined again in 1924 as a trained teacher on the scale of 20--1--30. He worked till 1926 and earned 2 increments, when he was required departmentally to undergo Fisheries training at Calicut. During the training he got only a monthly stipend of Rs.12/=. On 1-7-1927 he joined the school again, but as he did not pass in the Fisheries training he was given a pay of Rs.15/= only till the end of July, 1928 when he passed in the Fisheries Training Examination.

2. From 1928 he was again given a start at 20--1--30 and was getting pay on that basis till 1931 when he qualified himself as a Higher Grade Teacher entitled to the scale of 25--1--50 and he was paid on that scale.

3. Memorialist then sent up memorials to the benign Government praying for allowing him to draw his pay during his period of training at Calicut and subsequently also according to his confirmed post in 1924 and according to which he had earned 2 increments when he was sent for special training at Calicut. This was favourably considered in G.O.No.M.S.1065 dated 28-7-1934 ( a copy is enclosed) as other teachers who were not called upon to undergo training at Calicut, were earning their increments and getting their full pay on that scale. According to that G.O. memorialist was entitled to 4 increments in 1928 when he passed the special training. He was entitled to 7 increments in 1931 when he qualified himself as a higher grade teacher and admitted to the scale of 25--1--50. In G.O. No.M.S.1577 Development dated 14-7-1937 he was ordered to be paid Rs.78/= as arrears of pay from 1-7-1928 to 31-10-1931.

4. As he was paid from 1-7-1927 till 31-7-1928 at the rate of Rs.15/= and from 1928 in the scale of 20-1--30 ignoring his previous confirmation in 1925, he sent a memorial and he was ordered to be paid his pay according to his scale for the period 24-6-1927 to 31-7-1928 in G.O.No.M.S.1909 - Development dated 15-8-1940.

Even after this order he was paid only 96-12-0 which is short by 11-12-0. Apart from this he is entitled to draw his increments till he become a higher grade trained teacher and subsequently also he is entitled to draw according to his past service. A memo

is appended to this memorial which will show what he got and what he ought to get and according to that, memorialist is entitled to get some more money towards his past arrears of pay.

It is therefore humbly prayed that the Government may be pleased to direct the payment of his past arrears in view of the above circumstances.

COPY OF THE G.O.M.S 1065 dated 28th July 1934-Fisheries Memorials- Teachers U.Thaniappa & T.Muthappa - Order Passed.

The Government observes that the Memorialists were appointed as teachers in the Fisheries Schools in 1927 before the issue of the Statutory Rules for The Madras Fisheries Sub-Ordinate Service on 24th Sept.1929 and continued as teacher for over two years after the issue of the Rules. They have earned 5 increaments in the scale of Rs.25-1-50/-, Before the issue of the Statutory Rules there was no restr as regards the employment of men not trained in the Fisheries Training Institute, Ca and teachers who completed 2 year's training at Mangalore have been confirmed in the without any further training at the Fisheries Training Institute. The Madras Fisherie Sub-Ordinate Rules came into force subsequent to the appointment and the provisions there made laying down qualifications for teacher's post are applicable only to candi seeking admission to the service after the issue of the Rules, but do not affect the Memorialists to their prejudice.

The Memorialists cannot therefore be reduced to a pay of Rs.20/- per mensum except as a punishment and there is no question of punishment in this case The Government accordingly directs the Memorialists be confirmed in the posts they ha been holding since 1927. They should be allowed to draw the pay to which they are eligible in the old scale with effect from the date of rejoining their appointment after training in the Fisheries Training Institutue.

No.5934/H5/46, dated 13.8.48.

...

Sir,

Sub:- Establishment- Fisheries- Hoovayya Sri Y.- Pay- arrears and revision.

Ref:- Government Memorandum No.39348.F/46-11, dated 10.11.47.

...

In re-fixing the pay of Sri Hoovayya in the scale of Rs.20-1-30 for the period from 24-6-27 to 31-7-28 with reference to G.O.Ms.No.1909, Development dated 13.8.40, the Assistant Director (Coast) considered that the period of the teacher's training from 24-8-26 to 23-6-27 would not count for increment in that scale. In support of this view, he relied on G.O.Ms.No. 459, Development, dated 23.3.35 in which the Government negatived the proposal of the Director of Fisheries to declare under F.R.9(6)(b)-ii A, that the period of training of stipendiary fishery teachers without substantive appointment, deputed for training should count for leave and increment of pay. Sri Y. Hoovayya was holding a substantive appointment as teacher when he was deputed for training and his case was not, of course, governed by the orders in G.O.Ms.No.459, dated 23.3.35. But, he drew only a stipend at Rs.12/- p.m. and not pay in the scale of Rs.20-1-30 during the period of his training, and, in the absence of a declaration by the Provincial Government under F.R.9(6)(b)i declaring that he should be treated as on duty, during the course of training the period of training would not count for incurement. His claim for an additional sum of Rs.11-12-0 towards arrears of pay for the period from 24-6-27 to 31-7-28 is inadmissible, as it is based on the untenable ground that his period of training from 24-8-26 to 23-6-27 and his leave on loss of pay (i.e. extraordinary leave) from 2-8-26 to 2-8-26 should be counted for increments.

2. The second point raised by Sri Y. Hoovayya is covered by the remarks on the first point. As already stated, the period of training and the extraordinary leave have been excluded in allowing increments to him in the scale of Rs.20-1-30.

3. The service Register of Sri Hoovayya is resubmitted herewith as directed in Government Memorandum No.39348F/46/12 dated 16.6.48. A working sheet for the amount claimed by Sri Y. Hoovayya is also enclosed.

4. This is one of a dozen or more establishment cases which have been grossly delayed in the Director's offices and in the Offices subordinate to it. The sole reason for this is the administrative breakdown of the office during the latter part of the war years, the failure on the part of Superintendents and officers in charge of sections to exercise adequate supervision and the presence in the office of a large number of emergency appointers without any stake in the department. Every effort is being made to work the administrative procedure properly and to clear up the mess in the office.

Subject: Education- Fisheries - Fisheries schools - Kirimanjeshwar - Assistant Teacher - Hoovayya Sri Y. -- Arrears of pay - Payment - Memorial.

From Sri Y.Hoovayya, Memorial dated 9-6-1946.
From the D.I.C., Letter No.5934 dated 24-9-1947
From the D.I.C., Letter No.5974 B5/46 dated 14-10-1947.

The file deals with the memorial of Sri Y.Hoovayya Assistant Teacher, Krimanjeshwar Fisheries School, for arrears of pay consequent on the orders issued in G.O.No.1909 Development dated 15th August 1940. The present memorial is evidently for a further revision of pay and for payment of all the arrears thus accruing subsequent to the issue of the orders in G.O.No.1909 Ms. Dev. dated 15-8-1940.

2. The memorialist was recruited as untrained teacher in 1920, underwent ordinary training and completed it successfully in 1924. He was confirmed and allowed pay as for trained teacher on Rs.20-1--30 up to 24-8-1926 when he was deputed for training in the Fisheries Training Institute, Calicut. He returned from training on 24-6-1927 but as he did not pass in the final examination at the end of the course and passed only in 1928 he was allowed to draw from 24-6-1927 to 31-7-1928 a pay of only Rs.15/- per mensem as untrained teacher. The question of whether the reduced pay allowed by the then Director of Fisheries was in order or not was examined in 1935. The Public (Services) Department held that as the memorialist was already a certified Lower Elementary Grade Teacher on Rs.20--1--30 and had been confirmed his pay should not have been reduced to Rs.15/- per mensem and that he must be paid at Rs.20-1-30 on rejoining from training in 1927. But the Finance Department considered that the order fixing a reduced rate of pay might be taken as one imposing a penalty for not passing the examination and that there was nothing against imposition of such penalty by an executive order. It was also noted that a similar rates would have been allowed

in a large number of cases and that it was not necessary to undertake a reconsideration of all these cases. The Department's view was accepted. As however it was represented that the memorialist and another teacher were the only exceptions who were paid at lower rates, the Government ordered in G.O.Ms. No.1909 Dev. dated 15-8-1940 that Sri Y. Hoovayya and another (Sri P.Narayana), teachers, Fisheries Schools to draw pay in the scale of Rs.30--1--70 for the period from 24-6-1927 to 31-7-1936 as a special case, and the arrears paid to them. It was also ordered that the pay of the memorialist and the other should be refixed with reference to the scales they were eligible to and that no arrears on the basis of such revision should be paid.

According to the statement furnished with the present memorial, the pay of the memorialist should be fixed at Rs.23/- from 24-6-1927 and further increments regulated accordingly. The memorialist requests that the arrears of pay due to him according to the statement enclosed to his memorial should be paid to him, This request is in contravention of the orders contained in para 2 of G.O. No.1909 Dev dated 15-8-40. Since ample relief has been granted to the memorialist the D.I.& C does not recommend any consideration of the memoraialist.

Before any orders are passed the following points require clarification.

The memorialist states that even after the refixation of his pay and payment of arrears ordered in G.O.1909 Ms Dev. dated 15-8-40 he was not paid the full arrears of pay, but was paid only Rs. 96-10-0 which is short by Rs.11-12-0. The D.I.& C has not offered any remarks on this. Memo is subts. for consideration.

Please see notes from p.1 above.

The important dates in the service of Mr. Hoovayya and the pay drawn by him during the periods are tabulated below:-

| | | |
|---|---|---|
| Confirmed as teacher in Fisheries Dept. on | 13-5-1924 | Scale of pay Rs.20-1-30 Service counts for increment from 13-5-192 |
| Underwent training in Fisheries Training Institute, Calicut. | From 24-8-26 to 23-6-1927 | Received only a stipend of Rs.12/— |
| Joined school after undergoing training c | 24-6-1927 ? | During 24-6-27 to 31-7-28 Received only Rs.15/ p.m. as he did not pass the Fisheries Training Examination. |
| Passed Fisheries Training Examination. | 31-7-28 | |
| | 1-8-1928 | Started again on Rs.20/ in the scale of 20-1-30 |
| Qualified himself as highe de teacher | | Placed on Rs.25/ in the scale of Rs.25-1-50. |

In G.O.MS. 1909-Dev. dated-15-8-40 the Govt. permitted Mr. Hoovayya to draw his permanent pay in the scale of Rs. 20-1-30 for the period from 24-6-1927 to 31-7-28 instead of the reduced pay of Rs.15/ paid to him for the period. It was ordered that the arrears of pay due to him for ...

period should be paid to him. With reference to the orders above the D.I.&.C. was requested to refix his pay in the scale of Rs.20-1-30 and also in the scale of Rs.25-1-50 to which he was subsequently promoted. It was also ordered in the G.O. that Mr. Hoovayya will draw the pay so refixed from the date of the order and that no arrears of pay on the basis of such revision will be paid.

Mr. Hoovayya has represented that the D.I.&.C. has not paid the full arrears of salary due to him according to the above orders and that a sum of Rs.11-12-0 is still due to him.

The D.I.&.C. has stated that the above claim of Mr.Hoovayya was based on the untenable ground that his period of training in the Fisheries Training Institute, Calicut from 24-8-1926 to 23-6-1927 and his leave on loss of pay (i.e. extraordinary leave) from 2-8-1926 to 8-8-1926 should be counted for increments. The D.I.&.C. has omitted the above two periods in refixing the pay of Sri Hoovayya with reference to orders in G.O.Ms.No.1909 Rev. dated 15-8-1940.

The D.I.&.C.'s view that the period of leave on loss of pay (i.e.) from 2-8-26 to 8-8-26 should not count for increment seems to be correct.

But as regards the period of training undergone by Mr. Hoovayya from 24-8-26 to 23-6-27, it was ordered in G.O.Ms. No.714 Dev. dated 16-5-27 that while under training the teachers will be treated as on duty but allowed to draw only the stipends. That this G.O. applies only to permanent teachers deputed for training is clear from the subsequent order in G.O.Ms.No:459 Dev. dated 23-3-35 in which the Govt. declined to extend similar priveleges to the teachers without substantive appointments. But Mr. Hoovayya was holding a substantive appointment as teacher when he was deputed for training. It seems therefore that according to G.O.Ms.714 Dev. dated 16-5-27 Mr. Hoovayya is entitled to count the period of training from 24-8-26 to 23-6-27 for increment though he was paid only a stipend of Rs.12 during the period of training. The D.I.&.C. has not made mention of the above G.O. in his report on p.61 C.F.

It is for orders whether the D.I.&.C. may be informed

of the above position and he be asked to refix the pay of Mr. Hoovayya counting the period of training from 24-8-26 to 23-6-27 for increment and to pay Mr. Hoovayya the arrears of pay for the period from 24-6-27 to 31-7-48 accordingly.
